| Variable     | Label                                                      |
|--------------|------------------------------------------------------------|
| countrycode  | Country Code                                               |
| country      | Country Name                                               |
| year         | Year                                                       |
| polity5      | Combined Polity V Score                                    |
| democracy    | 0 = Autocracy, 1 = Democracy (Miller et al., 2022)         |
| gdppc        | GDP per capita (current US Dollars)                        |
| enrol_gross  | School enrollment, primary (% gross)                       |
| primcomp     | Primary completion rate (% of relevant age group)          |
| primcom_male | Primary completion rate, male (% of relevant age group)    |
| primcom_fem  | Primary completion rate, female (% of relevant age group)  |
| enrol_net    | School enrollment, primary (% net)                         |
| agri         | Agriculture, forestry, and fishing, value added (% of GDP) |
| slums        | Population living in slums (% of urban population)         |
| telephone    | Households with telephones (Landline & Mobile, %)          |
| internet     | Individuals using the Internet (% of population)           |
| tax          | Tax revenue (% of GDP)                                     |
| pop          | Population, total                                          |
| pop_fem      | Population, female (% of total population)                 |
| electricity  | Access to electricity (% of total population)              |
| service      | Services, value added (% of GDP)                           |
| oil          | Oil rents (% of GDP)                                       |
| natural      | Total natural resources rents (% of GDP)                   |
| literacy     | Literacy rate, adult total (% of people ages 15 and above) |
| lit_male     | Literacy rate, adult male (% of males ages 15 and above)   |
| lit_fem      | Literacy rate, adult female (% of males ages 15 and above) |
| infant       | Mortality rate, infant (per 1,000 live births)             |
| health_ex    | Current health expenditure (% of GDP)                      |
| hospital     | Hospital beds (per 1,000 people)                           |
| tuberculosis | Incidence of tuberculosis (per 100,000 people)             |
